23 May 2017

Dear Jane,

Thank you so much for the £25,000 donation towards LifeWorks for Families which has arrived safely in our bank account and is greatly appreciated by everyone here.

We are all encouraged that the Annington Trust is investing in military families; helping spouses unlock skills they never knew they had, and become more independent. It is very rewarding indeed to help people with low confidence. This is a programme which is not only great for individuals, but whole communities, and we are very proud of the impact of this programme and the growing reputation for LifeWorks nationwide.

I know that Emma is in touch with you about the new RBLI website and we are making sure the Annington Trust is acknowledged on the LifeWorks website too.

I hope to see you again soon, perhaps at a LifeWorks course next time.

With my best wishes

Lt Col (Rtd) Iain Downie
Head of Vocational Rehabilitation and Training Services
